

Thank you for booking your trip with Davey's Locker!

Here is some information and a few tips to ensure that your trip is the best experience possible.

Please be sure to arrive at our location at least 45 minutes prior to your scheduled departure time. Traffic and parking conditions can be unpredictable and we want you to have enough time to arrive, check in, and board the vessel prior to departure.

All vessels have a snack bar and beverage service on board for your convenience. Concessions on board the vessel are cash only. You are welcome to bring food and beverages aboard the vessel but we do ask that you do not bring ice chests, coolers, glass containers, and alcohol on board.

A parking map and directions are located below however, if you are using a GPS to find our location please be sure to program your device to **avoid toll roads and ferries**. Default GPS settings will take you onto Balboa Island (across the harbor from us) and you will need to take an auto ferry to get to our location. The auto ferry can only take three cars at a time. This may cause up to an hour delay in your arrival during peak season.

Please remember if at any time you need assistance with directions or details of your trip to call us at (949) 673-1434. One of our customer service representatives will be happy to assist you.
